

PLAYER:

Dear ,

Thank you again for your involvement in the 2019 St Kilda NGA / SMJFL Interleague program. The aim of the program was to provide a football program with a holistic approach which we hope you've found beneficial to your football both on and off-field.

As a whole, the coaches have been extremely pleased with how the group has applied themselves throughout the program and embraces the new challenges thrown at them.

As mentioned in the communication sent at the end of Phase 1, with only a limited number of spots available, selection in the Phase 2 program would be by invitation only. To this, I'm **pleased to offer you a spot in the Phase 2 program, commencing on Wednesday August 14th.** Please note – a number of your friends / teammates haven't been invited into Phase 2 so we ask that you please act with humility and respect when interacting with them.

If you wish to accept this offer, we ask that you please [CLICK HERE](#) and complete the registration. Please note, there will be no additional cost for Phase 2.
